4. PURPOSE

This document defines the Guidelines and Rules set out by the Pinzgauer and PinZ²yl Cattle Breeders Society of South Africa, when conducting Auctions and Private Sales of stud cattle.

5. AUCTIONS

Auctions are the method used to bring Breeders/Sellers of stud cattle and potential buyers together to conclude a sale through an Auctioneer under the auspices of the Society. This include all cattle registered or to be registered with SA Studbook.

5.1. Requirements of the cattle

5.1.1. Council will arrange for an inspection of the animals well before the auction, on the Members farm at the Member's expense. This inspection will be followed-up by a screening of the animals, before the auction, at the auction facilities at the expense of the Society, to ensure the animals are still in acceptable condition for sale. (Refer document: Inspection of Breeding Animals; document: PGPZ-03)

5.1.2. All cattle must be registered with SA Studbook.

5.1.3. Cattle must have the correct means of identification according to Annexure A (Clause 4, Identification) of the Constitution.

5.2. Responsibility of the Breeder/Seller

5.2.1. All details of the cattle to be sold, must be sent to the Secretary in good time to start the process of setting up the auction.

5.2.2. All cattle must be tested for Tuberculosis (TB) and Contagious Abortion (CA) by a veterinarian prior to inspection and the results must be available to the Inspector.

5.2.3. All bulls must be tested for fertility and Trichomonas foetus by a veterinarian or a recognized technician.

- 5.2.4. All females presented as pregnant must be certified by a veterinarian or a recognized technician.
- 5.2.5. The TB and CA, bull fertility, Trichomonas foetus and pregnancy certificates must be handed to the auctioneers prior to the auction.
- 5.2.6. Cattle offered for sale must be identifiable according to Annexure A (Clause 4, Identification) of the Constitution.
- 5.2.7. All cattle must be delivered in good time prior to the auction to allow for screening by the Inspectors.

5.3. Responsibility of the Society

- 5.3.1. Collect details of cattle to be sold.
- 5.3.2. Send Inspectors to the farms for presale inspection if requested by the breeder at the breeder's expense.
- 5.3.3. Organize an Auctioneer, sales venue and date.
- 5.3.4. Negotiate the Auctioneers commission including the 1% service levy due to the Society, which is calculated on the actual sales price of the cattle, VAT excluded.
- 5.3.5. Compile the catalogue for the auction.
- 5.3.6. Advertise and market the auction on e-mail and website.
- 5.3.7. Ensure Inspectors are at sale venue to inspect cattle before the auction commences.
- 5.3.8. Ensure that catering is in place.
- 5.3.9. Organize the transfer of ownership after the auction.
- 5.3.10. Process new membership applications from buyers.

5.4. Responsibility of the Auctioneers

- 5.4.1. Set up the venue for the auction.
- 5.4.2. Advertise and market the auction in collaboration with the Society.
- 5.4.3. Auctioneer must acquaint himself in matters concerning sellers, buyers and the breed.
- 5.4.4. Solicit potential buyers.
- 5.4.5. Organize funding, insurance and transport.
- 5.4.6. Ensure that all certificates are in their possession prior to the sale.
- 5.4.7. Supply the buyers list to the Society to do transfer of ownership.
- 5.4.8. Collect payment from buyers, pay the sellers and pay over to the Society the 1% levy.
- 5.4.9. Loading all cattle after the auction.

6. PRIVATE SALES

Private sales is the method used to bring Breeders/Sellers of stud cattle and potential buyers together to conclude a sale through private negotiations under the auspices of the Society. This include all cattle registered or to be registered with SA Studbook.

6.1. Requirements of the cattle

- 6.1.1. All cattle must be registered with SA Studbook.
- 6.1.2. Cattle must have the correct means of identification according to Annexure A (Clause 4, Identification) of the Constitution.

6.2. Responsibility of the Breeder/Seller

- 6.2.1. All cattle must be tested for Tuberculosis and Contagious Abortion by a veterinarian before the transfer of ownership can take place.
- 6.2.2. All bulls must be tested for fertility and Trichomonas foetus (if not a virgin bull) by a veterinarian or a recognized technician.
- 6.2.3. All females sold as pregnant must be certified by a veterinarian or a recognized technician.
- 6.2.4. The TB and CA, bull fertility, Trichomonas foetus and pregnancy certificates must be handed to the buyer.
- 6.2.5. Ensure cattle offered for sale are identifiable according to Annexure A (Clause 4, Identification) of the Constitution.
- 6.2.6. A seller or a buyer can make use of the facility offered by the Society to have cattle, up for sale, inspected.
- 6.2.7. Assist buyers who are not already Members of the Society with the completion and submission of the application forms.
- 6.2.8. Once the private sale has been concluded, a copy of the invoice must be sent to the Secretary, together with the application for transfer of ownership, and the Secretary will issue an invoice to the seller for the 1% service levy due to the Society. Transfer of ownership will be processed when the 1% levy has been paid to the Society.

6.3. Responsibility of the Society

- 6.3.1. Assist with marketing of private sales through e-mail or website.
- 6.3.2. Ensure that there are Inspectors available if requested by the seller or the buyer at their expense.
- 6.3.3. Process new membership applications from buyers.
- 6.3.4. Only process the transfer of ownership once the 1% levy has been received.
